

SAFETY INSTRUCTIONS FOR PROGRAMS WITH DIRECT ANIMAL CONTACT (WOLF & DOG)

- Please do not carry any food, animal treats, cigarettes, lighter, lip balm or similar strong-smelling things with you.
- Never approach the animal directly. Let the animal come to you.
- Do not bend over. It will signal the animal that it is not welcome, and it will walk away from you.
- Eye contact is not a problem, but please do not stare into an animal's eyes.
- Interactions between an animal and a visitor cannot be guaranteed. The animal decides if it wants to come close.
- If the animal passes you, NEVER reach for it or try to pet it without asking for permission.
- Please do not try to lure, call an animal or howl with them.
- If animals fight close to you, please stay calm - there is no danger!
- If you feel unwell, please inform us immediately.

IMPORTANT: follow all instructions given by the WSC staff!
